would like to participate in the following event:

Dark Emergency 2027

39517 Mahlwinkel

28.04. - 02.05.2027

Event

Location

Date

Airsoft is a sporting leisure activity that has no warlike or political content.

Like any sporting activity, airsoft also involves certain risks and the danger of injury. The participant signs this document in full knowledge of the possible risks involved in the course of the game.

I am aware of:

1. that the game can require great physical and mental effort.
2. that it can be dangerous if I don't play according to the rules of the game that I have read or been told, and that I can get injured. Hematomas in particular are possible, but so are other injuries.

I can assure you:

1. to be physically up to the demands of the game and that I see airsoft as a leisure activity & game.
2. that I practice airsoft free of political motives (especially concerning radical political positions). This applies to my behavior, my clothing and my equipment. Should the use of radical or anti-constitutional gestures, motifs or signs be detected, this will result in immediate exclusion from the event.

I commit myself:

1. to follow the rules of play and conduct and the instructions of the referees/marshalls and to use the equipment as prescribed and not to use it to harm third parties.
2. to wear my protective clothing (e.g. goggles) in the playing and shooting area. Non-compliance may result in exclusion from the game.
3. to wear sturdy footwear on the pitch.
4. to leave the sanitary facilities tidy after use.
5. to leave my area on the campsite tidy and free of rubbish.
6. not to drive private vehicles onto the event grounds during the event.

Warning: In appropriate weather conditions, there is a risk of falling ice in the area of the wind turbine. Even when the rotor is at a standstill or in spin mode, pieces of ice can come loose and fall down.

Waiver contract:

I participate in the event at my own risk. In particular, I release the organizers and promoters of the game as well as the owners or proprietors of the facilities and equipment located on the playing field from any liability. This waiver does not apply to intentional or grossly negligent acts.

Driving on the pitch without prior agreement is prohibited! Anyone driving their car on the grounds does so at their own risk. We assume no liability whatsoever. If a violation of the general legal regulations for the airsoft area is detected, I will be immediately banned from the playing field and, in the event of repeated detection, I will be banned from the premises or excluded from the event.

I have been informed that photos and videos may be taken of the respective event, which may also be published on the Internet at www.airsofthelden.de. I agree to publication free of charge and have been informed that I can object to such use at any time. To do so, simply send an e-mail to: info@airsofthelden.de

I have read and understood the **contents of the waiver agreement and the rules and regulations** and agree to all points.

I play at my own risk and confirm this with my signature.
